RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT UNDER 37 C.F.R.
§1.121

Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is in response to the Notice of Non-Compliant Amendment under 37 C.F.R. §1.121 (herein referred to as, "the Notice") bearing a mailing date of June 19, 2009. Since the amendment filed May 5, 2009 was a Request for Continued Examination under 37 C.F.R. §1.114, Applicant respectfully believes the due date for a response to the Notice is by July 19, 2009 (i.e., thirty (30) days from the mailing of the Notice). As such, this response is timely filed.

Additionally, since the Notice states the claims were not presented in ascending numerical order because previously filed claims 7-12 were not entered (i.e., box 4D is checked in the Notice), Applicant is only submitting herewith this response the corrected section of the non-compliant amendment.

In view of the following amendments, Applicant respectfully requests the Examiner to reconsider and withdraw the outstanding rejection, and allow all claims pending in this application.

AMENDMENT

Please amend the above-captioned application as follows:

IN THE CLAIMS:

Please cancel claims 1-6 and add new claims 7-18 as shown in ATTACHMENT A, which is incorporated herein by reference in its entirety, without any prejudice or disclaimer to the subject matter expressed therein.
